

# 17th EFMC Short Course on Medicinal Chemistry

## Programme

---

### Sunday April 23, 2023

17:30 Registration

19:30 Dinner at the hotel

21:00 Get Together at the Castle Bar

# 17th EFMC Short Course on Medicinal Chemistry

## Programme

---

### Monday April 24, 2023

- 08:15**      **Opening**
- 08:30**      **Introduction to Small Molecule Degraders: PROTACS and Molecular Glues - Part 1**  
Prof. Alessio CIULLI (UNIVERSITY OF DUNDEE, Dundee, United Kingdom)  
Dr Suzanne O'CONNOR (UNIVERSITY OF DUNDEE, Dundee, United Kingdom)
- 10:00**      **Coffee Break**
- 10:30**      **Introduction to Small Molecule Degraders: PROTACS and Molecular Glues - Part 2**  
Prof. Alessio CIULLI (UNIVERSITY OF DUNDEE, Dundee, United Kingdom)  
Dr Suzanne O'CONNOR (UNIVERSITY OF DUNDEE, Dundee, United Kingdom)
- 12:00**      **Lunch**
- 13:30**      **The Ternary Complex E3-Degrader-Target: Biophysical Binding Assays and Structures - Part 1**  
Dr Chun-wa CHUNG  
(GLAXOSMITHKLINE, Stevenage, United Kingdom)
- 15:00**      **Coffee Break**
- 15:30**      **The Ternary Complex E3-Degrader-Target: Biophysical Binding Assays and Structures - Part 2**  
Dr Chun-wa CHUNG  
(GLAXOSMITHKLINE, Stevenage, United Kingdom)
- 17:00**      **Day End**
- 18:00**      **Group Walking Tour**
- 19:30**      **Dinner in a Local Restaurant**

# 17th EFMC Short Course on Medicinal Chemistry

## Programme

---

### Tuesday April 25, 2023

- 08:30**     **Importance of Cellular Degradation Kinetics and Mechanisms for Development of Potent Therapeutic Degraders - Part 1**  
Dr Danette DANIELS  
(FOGHORN THERAPEUTICS, Cambridge, United States)
- 10:00**     **Coffee Break**
- 10:30**     **Importance of Cellular Degradation Kinetics and Mechanisms for Development of Potent Therapeutic Degraders - Part 2**  
Dr Danette DANIELS  
(FOGHORN THERAPEUTICS, Cambridge, United States)
- 12:00**     **Lunch**
- 13:30**     **Medicinal Chemistry Optimisation of Small Molecule Degraders - Part 1**  
Dr Andrea TESTA  
(AMPHISTA THERAPEUTICS, Cambridge, United Kingdom)
- 15:00**     **Coffee Break**
- 15:30**     **Medicinal Chemistry Optimisation of Small Molecule Degraders - Part 2**  
Dr Andrea TESTA  
(AMPHISTA THERAPEUTICS, Cambridge, United Kingdom)
- 17:00**     **Day End**
- 19:30**     **Dinner at the hotel**
- 21:00**     **Get Together at the Castle Bar**

# 17th EFMC Short Course on Medicinal Chemistry

## Programme

---

### Wednesday April 26, 2023

- 08:30**     **The Current & Future Clinical Landscape of Molecular Degraders of Disease-Causing Proteins - Part 1**  
Dr Ingo HARTUNG  
(MERCK HEALTHCARE, Darmstadt, Germany)
- 10:00**     **Coffee Break**
- 10:30**     **The Current & Future Clinical Landscape of Molecular Degraders of Disease-Causing Proteins - Part 2**  
Dr Ingo HARTUNG  
(MERCK HEALTHCARE, Darmstadt, Germany)
- 12:00**     **Wrap up and Lunch**
